

2022 SUMMER ATHLETIC HANDBOOK

www.xtremeforcetrackclub.org

Hello,

Thank you for your interest in joining the Xtreme Force Track Club team. We are an organization formed to provide a youth track and field program in Central Texas dedicated to the educational and athletic enrichment of the student athlete. Xtreme Force Track Club strives to provide training, educational assistance and mentoring for student athletes from the ages of 6-18 years old.

The primary purpose of the club is to assist the student athlete in the development of the skills and discipline which we believe are essential for success in the area of track and field as well as in life. We believe that self-discipline, self-esteem, and high moral standards are the cornerstone of any successful organization.

Academic success in the classroom is a priority over athletic success. We motivate all of our athletes to improve their academic achievement and stress the importance of an education in helping them to attain their long term goals.

The outdoor season is our largest and longest season spanning, 3-5 months (April - 1st Week of August), and typically has about 5 travel meets per season. All travel is at the parent's expense unless enough fundraising occurs to offset all or part of the athletes travel costs. Of the approximate 5 travel meets, one is a week-long and is what we work all season to achieve - the Amateur Athletic Union Junior Olympics, the location this year is in Greensboro, NC. The Jr. Olympics is for qualified athletes 6 – 18 years of age.

As we have youth ranging in age from 6 - 18, our middle school and high school athletes typically come out after the completion of their school's track season, somewhere in between April and May. However, registration is required *prior* to the closing date to ensure uniforms are ordered in a timely manner. Outside of your athlete registration fees, you can expect an out of pocket cost of \$6 per meet per spectator each week.

Below is a checklist of the documents attached and the items needed to complete the registration process. Please review all documents. Uniforms will not be issued until the registration process is complete and all fees are received. *Fees are non-refundable.*

Best Regards,

Xtreme Force Track Club Coaches & Staff
